Working Paper Template

Season 1

Working Paper Template

Committee: WHO

Topic: Regulating AI in Healthcare & Medical Diagnostics

Bloc Name: _____

Main Sponsors / Authors: _____

Supporting Delegations: _____

1. Problem Overview

Briefly explain the main problem your bloc is addressing.

Consider:

- What challenges does AI create in healthcare and medical diagnostics?
- Why does this issue require international attention?
- Which groups or systems are affected?

2. Key Issues Identified

List the main issues your bloc believes should be addressed (multiple).

Issue 1

3. Proposed Solutions

Present your bloc's proposed (multiple) solutions to the overall topic.

Solution 1

Title: _____

Description:

How would it work?

4. International Cooperation

Explain how governments, international organizations, healthcare institutions, technology companies, or other relevant stakeholders could cooperate.

Proposals:

5. Implementation

Explain how your proposed solutions could realistically be implemented.

Consider:

- Who would be responsible?
- How would the proposal be funded?
- How would compliance be monitored?
- How could developing countries be supported?
- What international organizations could assist?

Response:

6. Expected Outcomes

What results does your bloc expect from these proposals (multiple)?

Expected Outcome 1:

7. Bloc Priorities

Identify the **most important proposals (multiple)** your bloc wants to carry forward into the draft resolution.

1. _____
-

8. Sources

List all the sources used when developing your working paper.

1. _____
-

Working Paper Checklist

Before submitting, make sure your working paper:

- ☐ Addresses the overall topic
- ☐ Clearly identifies the problems being addressed
- ☐ Contains specific proposed solutions
- ☐ Explains how the solutions could work
- ☐ Considers realistic implementation
- ☐ Reflects the positions of the bloc
- ☐ Uses reliable sources
- ☐ Can be developed into a draft resolution
- ☐ Has been reviewed by all relevant bloc members

What Happens After Submission?

1. **Submit** → The bloc submits the working paper to the Chair.
2. **Discussion** → The working paper is shared with the committee and discussed through a **Moderated Caucus**.

3. Revision & Negotiation → The bloc considers feedback and decides which changes to accept.

4. Draft Resolution → The bloc converts the revised working paper into a formal **Draft Resolution**.
